To provide the best basketball playing experience for RFGBA girls, the River Falls Girls Basketball Association would appreciate your candid opinion regarding your daughter's basketball experience. Results will be reviewed by RFGBA for possible program modifications. To assess how well we are preparing coaches to develop and lead their teams, we are requesting your anonymous feedback. Results will be used to identify general training requirements and to help individual coaches improve specific skills. To preserve anonymity, this specific information will not be given to coaches. This information will be sent to the RFGBA where it will be summarized and provided to coaches as part of their development and training. Please return survey to a RFGBA board member or mail to:
